

PACKING SUGGESTIONS

For your Longfellow House stay

Use the following suggestions as a guide to help you pack the essentials, and to help your family remember important items to bring.

Pro tip: Always buy key staples and specialty items ahead of time and bring with you. It'll be less expensive, simpler and more convenient than shopping for them when you're here.

Paper supplies: when you arrive we'll have an initial setup of kitchen paper towels and toilet paper throughout the house. Be sure to bring extras so you have what you need for you stay.
